

GO Play

Get Outdoors & Play Festival

Saturday, May 21

10am to 4pm

Latta Plantation Nature Preserve

FREE

All Ages

Nature makes the best playground!

After all, where else can you catch a fish, bake a mud pie, and build an awesome stick fort? Families and kids of all ages will have a blast at this annual festival that's all about getting outside, being active, and having fun in nature. Activities will include canoeing, hunting for bugs, building sand castles, making mud art, and much more messy fun. So dress for the mess and join us as we get outdoors and play at Latta! No registration required
